Consent for Services

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1_% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.

INFORMATION ABOUT FINANCIAL ARRANGEMENTS & DENTAL INSURANCE

We are committed to providing you with the best possible care. If you have dental insurance, we are anxious to help you to receive maximum benefits. In order to achieve these goals, we need your cooperation and understanding of our payment policies.

Payment for services is due at the time services are rendered, unless payment arrangements have been approved in advance by our office manager.

There will be a $50.00 fee for returned checks and a $35.00 fee for missed appointments without 24-hour notice of cancellation.

You must realize that:

1. Your insurance company is a contract between you and your insurance company. We are not a party to that contract unless we participate with your plan. If we do not participate with your plan, it does not mean your exam is not a covered service. It means that after paying for your visit, you will be given a receipt to submit to your insurance or have our office submit it for you. If your plan covers the visit, you will be directly reimbursed from insurance company.

2. Not all services are covered benefit. Some insurance companies arbitrarily select certain services that they will not pay for. You are responsible for non-covered or denied services.

3. Since some insurance companies only approve and pay a portion of our fees, we must emphasize that as dental care providers, our relationship is with you and not your insurance company. **ALL CHARGES ARE YOUR RESPONSIBILITY AND ARE PAYABLE WHEN SERVICES ARE RENDERED.** We realize that temporary financial problems may affect payment, we ask that you contact us promptly for assistance in the management of your account.

If you have any questions about the above information, please do not hesitate to ask us. We are here to help.
